

GEG Team Members Visit Exhibitions Celebrating the 100th Anniversary of the Founding of the Communist Party of China

June 23, 2021 – Galaxy Entertainment Group (“GEG”) organizes many activities to enhance team members’ understanding of China’s development. This afternoon, GEG arranged team members for a visit to two exhibitions that celebrates the 100th anniversary of the Founding of the Communist Party of China (“the Party”). The first exhibition that the team members visited was a photography exhibition co-organized by the State Council Information Office, the Macau SAR Government, and the Liaison Office of the Central People’s Government in the Macau SAR. The visit helped team members gain a better understanding of the Party’s century-long history and past achievements. Meanwhile, the second exhibition that they attended was The Glory of ‘Building Dreams’ – Witnessing a Century of Chinese Railway Development Exhibition, where team members learnt of the country’s cutting edge technology and railway construction.

Through the 298 vivid pictures displayed at the photography exhibition, GEG team members gained insights into the Party’s history, accomplishments, and triumph in leading and guiding Chinese people to present day success. The participants were delighted with what they saw at the photography exhibition, which included a number of precious and meaningful historical photos. Proud of the Party and the country, GEG team members believes that the photography exhibition has given them an opportunity to learn of the Party and the country’s history. Following the photography exhibition, the team members also toured the exhibition on China’s railway development and learnt of its history through the display of various historical artifacts and records. The participants were amazed by the country’s advanced and world-leading railway construction technologies.

In celebration of the 100th Anniversary of the Founding of the Party, GEG has organized various activities and events for different sectors of society, including the GEG Macau Cup – 13th Youth National Education Competition, whose theme is on helping local students learn of the Party’s century-long history and development, particularly since China has achieved its first centenary goal of building a moderately prosperous society. Actively promoting national education and China’s development to its team members, GEG has also supported the National Security Education Day for three consecutive years by arranging team members for visits to the National Security Education Exhibition and the “National Security Introduction to Schools” online photo exhibition. In addition, team members were given the opportunity to visit the exhibitions on Chairman Mao’s accomplishments, the Base of the Education of

Love for Motherland and for Macau for Young People, and the People's Liberation Army Macau Garrison.
